## GIFT College Gujranwala

---

GIFT College Gujranwala is one of the country's carefully planned institutions, which is fully capable of successfully coping with the contemporary, and future challenges of a labyrinthine hi-tech world. It is located at Gujranwala (Pakistan), an expanding city with phenomenal industrial and commercial growth. The city has its own Chamber of Commerce and Industry and separate Board of Intermediate & Secondary Education, which show a steady progress towards technological development. In spite of its significance, the youth of Gujranwala are attracted to the metropolis of Lahore for academic excellence and grooming of their skills. There was an urgent need that the city must have its own institutions for the advancement of modern science and technologies. In response to this dire need, Mr. Muhammad Anwar Dar, a distinguish entrepreneur of Gujranwala heading a nationwide network of one of the largest financial organizations, has embarked upon a gigantic academic project. The project precisely named as GIFT College Gujranwala has been launched in line with current trends in science and technology. It has been designed by highly reputed professionals, renowned educationists, scholars, scientists, engineers, architects, financial and

Mr. Muhammad Anwar Dar

GIFT College has been planned and functioning under supervision of renowned educationists, academicians and professionals. It has been designed to provide state of the art infrastructural facilities and resourcefulness for high quality education at the apex level for the youth of this region. Now, they need not plan for other big cities to enhance their education and skills. We have provided those opportunities within their home region.

GIFT focuses on creating innovative and commanding professionals who can face the exigencies of a competitive and mechanizing global milieu. We see in you the future leadership in all walks of life. We envision young men in the service of humanity and their homeland. I am confident that you will elevate us through accomplishing these goals.

## Message from the Principal

Prof. Kh. Zahid Parwaiz

GIFT College has been acclaimed as the most prestigious seat of learning in this region. The trust reposed in us by the people corroborates the quality instruction and training at GIFT. Here you will find a perfect environment for academic enhancement and personal grooming since we aim at evolving future leaders in the panorama of technological surfeit and erudition.

Our faculty is an exclusive combination of vigour and expertise. They are innovative and committed to instill in our youth the habit for rigorous and purposeful work. The modernity and richness of facilities add up to the resourcefulness of the atmosphere for creative ventures.

At GIFT, you can accomplish that you aspire for your future. You can elevate yourselves as the honored citizens of this land and contribute substantially to the prosperity of the people. We in the management assure you of our best efforts towards inculcating in you

Nadeem Akhtar Janjua

Thank you for your interest in studying at GIFT College and I am pleased to welcome all of you. We are offering the complete range of courses to students from all fields of sciences & commerce FSc (Pre Medical), FSc (Pre Engineering), ICS, ICOM and FA (Fine Arts).

We, at GIFT, are determined to impart quality education with a special focus on intellectual and moral development of our students; and certainly our learning environment would ensure a rewarding, stimulating as well as healthy environment of creational and recreational activities.

Our Exam passing ratios are consistently better than any other college and more and more students are choosing GIFT as the place to study. Central to our success is our unique exams preparation system based upon the rigorous tests.

Throughout the College, students will find excellent educational resources with over 200 networked computers, state of the art laboratories, and excellent online library facilities.

Our aim is to explore the highest potential through excellent teaching, guidance and support. We hope our sincere efforts, combined with your active cooperation will help our students to achieve the goals they have set for themselves.

## Message from the Vice Principal

## Mission Statement

To be a premier place of learning that combines the best of the professional education, wherein the teachers and the taught are involved through analytical and logical modes in the quest for knowledge, thus opening new vistas of enlightenment and service to

- To hire the best faculty for a highly competitive environment
- To develop a balanced and an upright personality in each student by inculcating in them the skills and knowledge from various academic, practical, physical, aesthetic and ethical areas.
- To make students capable of achieving the best possible results in their intermediate examinations.
- To offer such programmes to the students, which would provide basis for their specialized educational targets in future.
- To develop and appreciate the maturity in the students, which would prove to be fruitful, in the future endeavours of their lives.
- To inculcate in the students a sense of responsibility towards the progress and prosperity of their homeland
- To make them understand the importance of extra-curricular activities in nurturing a healthy body.
- To develop a comfortable and congenial environment for all faculty, members, students, and staff for efficient academic operations.
