Facilities & Resources

Academic and Non-Academic Facilities

Lecture Theatres

Library

We have 16 spacious and centrally air conditioned lecture theatres, which are developed to provide the best available and comfortable teaching as well as learning facilities. They are facilitated to use personal computers that are linked to professional presentation, media projectors, and audiovisual equipment.

Considering the importance of library for an educational establishment, GIFT has developed its library facilities as a specialized learning center proving to be an indispensable source of information for the participants, GIFT library houses a grand collection of books, journals, renowned theses and all possible forms of information available. The library is meant to buttress and supplement the courses offered at GIFT. The library uses Internet to allow access by the participants to publications and knowledge available in electronic formats from libraries and publishers worldwide. The participants can

English Language Center

English language has got the position of “gate way” to the world. So in this world of globalization and quick communication, English Language learning is indispensable. Responding to this deeply felt need for a high quality center for language learning in Gujranwala, GIFT has launched a stupendous project in the form of BERLITZ ENGLISH Language Center. The courses offered will aim at enhancing and developing the four skills involved in language learning i.e. listening, speaking reading and writing. The language center is fully equipped with all the modern audio visual aids to facilitate the language learning process.

Science Laboratories

Fully equipped laboratories for Physics, Chemistry & Biology fulfill the needs of science students. These laboratories are updated on regular basis to cater to the changing demands of the syllabi.
